I'm from where them niggas always packing  
And never solo, whenever I'm up in magic  
Throwing niggas, got these niggas Michael Jacking  
Shawty what's happening, started behind that emp  
trapping  
Atlanta, burning till we hot as fuck  
Yeah my nigga we from Atlanta, Atlanta, Atlanta  
And she burning till she's hot as fuck

He's from the A, A, A, A  
Look... jeans, or waiting in the change  
From the A, A, A, A, A

I'm from the A town, A town, man this shit is my  
playground  
20 bricks on the grey hound, smoking out on my A  
pound  
Zone 6 is my stucked ground, ain't east Atlanta but I  
don't play around  
Cash in, this a shake down, when I smash your girl she  
make sounds  
Got a big house with a lake now,  
All guessing no break now  
A lot of love but a lot of hate  
But I know who real and who fake now  
Started out, celebrate down, no cd's and tapes whoa  
Now I ain't gotta sell weight, and it feels great that I'm  
scrape now

He's from the A, A, A, A  
Look... jeans, or waiting in the change  
From the A, A, A, A, A

He's from where them fly girls with good jobs stay at  
Educated, independent, women rap floor set  
I, I, I, I like gangas, I like hustlas,  
Candy painted whip, big wheels with a lot of thug  
He love them strip clubs, he make it rain her make it  
rain too  
Standing right beside her, make her drop it like she  
posed to

Magic city unless, don't forget diamonds  
Been up, up and folls,...

He's from the A, A, A, A  
Look... jeans, or waiting in the change  
From the A, A, A, A, A

She record this A town shit, bright lights big city  
Don't be fooled though, shit's dark around these parts  
too

He's from the A, A, A, A  
Look... jeans, or waiting in the change  
From the A, A, A, A, A  
I just couldn't tell you about A  
He's so deserving of an A, A, A,  
And I wouldn't change a thing  
About our, from the A
