Hold on
I don't care what they say
I know crime doesn't pay
I refuse to believe in the pain
I tell ya love is alive
Let it ring let it roar
I can even the score
Maybe life brings torture and change
But baby love is alive
Love is knocking on your window
You're afraid to let it in
Give it one more chance I tell ya
Love is alive
It's alive
Love is alive
If the show that you do
Could be playing the fool
If you fall for the light you will never know that love is
alive
Say you do or you don't
Say you will or you won't
Baby let me pull your coat and tell you love is alive
Don't ya hear somebody knocking
Feel the pounding at your door
You can run baby but you can't hide
'Cause love is alive
It's alive
Love is alive
Love is alive
Love is alive
Love is alive
Hear somebody knocking
Feel the pounding at your door
You can run baby but you can't hide
'Cause love is alive
It's alive
You know love
Was a fire
Love is a fire
Love is alive
Love is alive

Love is alive
Love is alive
Love is alive
Love is alive
Love is alive
You know you can believe
That love is alive
You can believe it!
Love is alive
