Turn off all the lights
Join my mistress, sleep
We'll fight this feeling
I feel you by my side
Are you really here?
Or am I dreaming?

They were never meant to see tonight

Just take my hand
You and I will dance tonight
Your soul is mine
We'll join this masquerade

Now we're out of sight
I feel alive
My heart's still beating
Oh, Vincent Valentine
You've got your way
Your web's still weaving

They were never meant to see tonight

Just take my hand
You and I will dance tonight
Your soul is mine
We'll join this masquerade
I hate your kind
You and I walk hand in hand in hand in hand
We'll walk this fine parade

I hate your kind

Just take my hand
You and I will dance tonight
Your soul is mine
We'll join this masquerade

You and I walk hand in hand in hand in hand
They'll fall behind us
