[Midget Verse 1]

I get it all the time  
Just gotta stay on my grind  
Keep my mind right  
Front to the back of the timeline  
Give my fans my time  
What's poppin' slime  
Hate the dot on the line  
Jump like the frog in the road  
My time off but on overload  
You know I be killin' it  
I be on gorilla s--t  
Eat beats like cheese steaks  
I be on that Philly s--t

[Midget Hook x2]

You on the guest list  
You on the hit list  
I'm the biggest  
You know I'm Midget

[Midget Verse 2]

A to Z, ABC  
Check 1, 2, 3  
A to D, crash test dumb-E  
Stop pause...  
They try to play me though  
I'm tryna get my song on the radio  
The fans got crazier, infered lasers  
They turn blue like the lakers  
And when they rap they skip a beat like pacers  
They write Crayola  
But they cry Layotion

[Midget Hook x2]

You on the guest list  
You on the hit list  
I'm the biggest  
You know I'm Midget

[Midget Verse 3]

A to Z  
A & E  
Spit S.P.E  
ESPN  
I'm goin' in  
I'm throwin' dice like I roll it  
Shofur, but now I'm shofuring it  
You talk to me you better learn from it  
Accur from it  
I'm in, but I'm out

[Midget Hook x2]  
You on the guest list  
You on the hit list  
I'm the biggest  
You know I'm Midget
