[Midget Verse 1]

Wheezy F. Baby, and the F is for fantastic  
I'll have you sleeping with the fishes like the city of  
Atlantice  
You can call me Mr. Fantastic  
I live better, through cons and indevers  
Through pros and surrender  
We'll fight this war forever  
I'm on another level  
Y'all are on some other level  
Try'na get someone else's level  
No vowels, but here's another letter  
Go crazy in the booth like I'm a stunt devil  
Go harder than everyone, make ya feel better  
You know I'm on another level

[Midget Hook x2]

I'm on another level  
I'm on another level  
I'm on another level  
I'm on another level

[Midget Verse 2]

I'm in my spaceship, I'm on another level  
I'm on another planet  
I took gravity wit' me I need another landing  
Yeah, I be up in Mars, I am so fly, I, I, I can touch the  
stars  
I beat it like Lacrosse  
I'm beast like a Rhinoc-eros  
I fly away and take the guests  
I'm so high, I'm under arrest  
Food scraps and give supper to pets

[Midget slit verse]

I'm up in the clouds, pass the stars around  
Don't cross the line, but now you're out a bounds  
I'm up in the clouds, pass the stars around  
Don't cross the line, but now you're out a bounds  
I'm up in the clouds, pass the stars around  
Don't cross the line, but now you're out a bounds

[Midget Hook x2]  
I'm on another level  
I'm on another level  
I'm on another level  
I'm on another level
