I hope this works out, get in our exercise  
(Let's go to my car)  
We can go to your house  
We can go to my crib  
We can jump in your car  
We can jump in my whip  
We can go to Mars  
Jump in my spaceship

They say I'm fake, but I'm real  
I'm realer, I'm realist  
You make up facts, non realistic

You can't feel  
I see things that happen in my dreams  
I wear my heart on my sleeve  
And bottle my fears  
I'm one in my book  
One for the year  
I aint perfect but I come with no errors  
New artist in new rookie of the year
