Amazed  
By All These Lines And Boundries  
Amazed  
By All The Rules That Ground Me

Inspired  
By Oh So Many Things  
Like This Sweet Life  
And All The Fun It Brings

Inspired By A Woman  
And The Way She Walks  
Amazed By The Dollar  
And The Way It Talks

Ooh Well I'm Workin' On My Wings  
Oh I Want Them More Than Anything

In Love,With All The Love Around Me.  
In Love,With All The Love That's Found Me

In Love With The Morning  
And The Rising Sun  
Amazed By This Moment  
When My Song Is Sung

Ooh Well I'm Workin' On My Wings  
Oh I Want Them More Than Anything

I See Wings On My Back
