When I watch you, wanna do you
Right where you're standing, yeah
Right on the foyer, on this dark day
Right in plain view, oh yeah

Of the whole ghetto, the boot-stomped meadows
But we ignore that, yeah
You're lovely baby, this war is crazy
I won't let you down, oh no, no

No, I won't let them take you
Won't let them take you, hell, no, no
Oh no I won't let them take you
Won't let them take you, hell, no, no
No, oh no, no, no

And when our city vast and shitty
Falls to the Axis, yeah
They'll search the buildings, collect gold fillings
Wallets and rings, oh yeah

But Miss Black Eyeliner, you'd look finer
With each day in hiding, oh yeah
Beneath the wormwood, ooh love me so good
They won't hear us screw away the day, I'll make you
say

No, I won't let them take you
(Alive! Alive! Alive with love, alive with love tonight)
Won't let them take you, hell, no, no
(Alive! Alive! Alive with love, alive with love tonight)
Oh, no I won't let them take you
Won't let them take you, hell, no, no

Our Treblinka is alive with the glory of love
Treblinka, alive with the glory of love, yeah

Okay speed it up, go

Should they catch us and dispatch us
To those separate war camps
I'll dream about you, I will not doubt you

With the passing of time, oh yeah

Should they kill me, your love will fill me
As warm as the bullets, yeah
I'll know my purpose, this war was worth this
I won't let you down, no I won?t, no I won?t, no, I won?t
(Alive! Alive! Alive with love, alive with love tonight)

Hell no, no whoa, no, I won't let them take you
(Alive! Alive! Alive with love, alive with love tonight)
Won't let them take you, hell, no, no, no, no!
