You say you're a shade in my face from my father's  
share crops  
My people were slaves before yours invented hip-hop  
Apologize but I'm in on the joke  
Another brother to scoff at the dancing patterns of  
white folk

I think I'm fine the way I am  
(and yes I chase my milk with ham)  
I think I'm fine the way I am  
Jesus died a jew  
pupils painted blue  
yeah haters know its true  
Jesus died a jew

you saw you're the breath on my nose of my daddy's  
ear locks  
shunned before you pieced it and sold it and called it  
punk rock  
apologize for the murder of god  
like Judas the traitor we are both favored and deeply  
flawed

I think I'm fine the way I am  
(although we broke our promised land)  
I think I'm fine the way I am  
Jesus died a jew  
pupils painted blue  
yeah haters know its true  
Jesus died a jew  
so I'll let it burn away  
let it burn away  
let it burn away  
let it burn away
