Baby!

You don't wanna make me cry  
or I will fill you with the emptiness inside.

Okay! Alright!

Baby!

You don't wanna say goodbye  
or I will soak you in this rich formaldehyde.

Cause you're beautiful tonight  
and the stars are burning bright.  
And I give this curse to you  
like there is nothing else to do.

So let the purple sky explode.  
Let it shower us with toads.  
Let the scarlet river flood  
so it can drown us all in blood.

I just hope you don't,  
Hope you don't.

It's funny,  
how crazy that you make me feel sometimes.  
I'm so broken  
I can barely even rhyme.

Okay! Alright!

Honey!

It's crazy that you take up all my time  
Got me sippin' at a gross amount of wine.

But you're beautiful tonight  
and the stars are burning bright.  
And I give this curse to you  
like there's nothing else to do.

So let the purple sky explode.  
Let it shower us with toads.  
Let the scarlett river flood

so it can drown us all in blood.

Tonight, I guess, I'm human.  
So thank you for fighting  
And havin' sex with me.

Tonight, I guess, I'm human.  
So thank you for fighting  
And havin' sex with me.

Oh!
