Girlfriend now
I have a girlfriend now
no way, no how
I get a girlfriend now

I remember it vividly, love. I've been walking erect
since the moment we met
and I caught your eyes to my surprise your white thighs
hebraic neuroses ceased to be. an angel's conversing
with me
the new attractive to me is divine
and even if your friends don't understand
no matter what, I'll always be your man
and even if you go, you know you'll leave me feeling
grand
I'll need new contraceptives, green eyes
I found god when you left him, green eyes
let's spend the night entwined out on the boardwalk in
sickly summertime
like the yin and the yang of the afikomen
you're the omen that all has changed that was
deranged
and even if you stomp me 'til I'm sore
no matter what, I'd bleed to be your whore

and even if the cancer grows until we explode, I'm
yours

Girlfriend now
I have a girlfriend now
no way, no how
I get a girlfriend now

Well, from here on forth, I'm yours

And even if your whisper eats my ear
your voice shall be the only song I long to hear
and even if you fear the end, our sacrament of salmon
and irish beer
will still be here

Girlfriend now

I have a girlfriend now
no way, no how
I get a girlfriend now

Girlfriend now
I have a girlfriend now
no way, no how
She's my girlfriend now
("Boy, I need your love, so give it to me
Boy, I need your touch, so lay it on me
Boy, I need your love,
I need your touch, I'm yours")
