No more promises
I have made them before and broken them
Give me the go ahead
And I'll undress myself for you if you're at all interested

Now I'm growing legs
I am the spider
I am the spider
I'm growing legs
I am the spider
I am the spider
Crawl inside her
I am the
Hey!

Oh, I know your pain (Oh, I feel you baby)
You like I are plagued by the flies inside your brain
I'm creeping up your veins

I am the spider
I'm growing legs
I am the spider
I am the spider
Crawl inside her
I am the
Oh!

I better watch my back around you
You've got the moves, the shoes, the 'do, you've got
me
O ho no no no
I want you to know I want to
You've got those tired eyes all the time
You've got those tired eyes all the time

Woah

I'm growing legs (I want you, you know I want to)
I am the spider
I am the spider
I'm growing legs (I want you, you know I want to)
I am the spider
I am the spider
I am the spider
Yeah!

F*ck sh*t up!

I am too afraid to dig you
I can't find a word to speak
If I could I'd talk so good that you would be with me
I am cold, too cool to call you
I'm too stoned to leave my bed
I'll write this song to win your kiss but stay asleep
instead
