No more promises  
I have made them before and broken them  
Give me the go ahead  
And I'll undress myself for you  
If you're at all interested now

I'm growing legs  
I'm the spider, I'm the spider  
I'm growing legs  
I'm the spider, I'm the spider  
Crawl inside her, I'm the, hey

Oh, I know your pain  
(Oh, I feel you, baby)  
You like I plagued by the flies inside your brain  
Oh, I'm creeping up your veins  
Are you smart enough  
And small enough to play this game?

I'm growing legs  
I'm the spider, I'm the spider  
I'm growing legs  
I'm the spider, I'm the spider  
Crawl inside her, I'm the, oh

I better watch my back around you  
You've got the moves, the shoes, the 'do, you've got  
me  
Oh, no, no, no  
And I want you to know I want to

(You've got those tired eyes all the time)  
You've got those tired eyes all the time  
(You've got those tired eyes all the time)  
Yeah, you need someone to bring you to bed

I'm growing legs  
I'm the spider, I'm the spider  
And I'm growing legs  
I'm the spider, I'm the spider

I am cold, too cool to call you

Far too stoned to leave my bed  
I'll write this song to win your kiss  
But stay asleep instead
