I wake up in a room and realize I'm insane again,  
This is the fifth time straight in a year I've ended up in  
here  
Eating p.b.j's and watching the church channel nightly

I didn't mind what I did  
I fell behind on my nightly four-course meal of rainbow  
pills  
Now I'm wondering what is fake and what is real

But who's that ghost who keeps walking by my door  
I've never seen a girl look so good in thick-rimmed  
glasses before  
And I feel her gaze on me during sleeping hours  
And when I shower

They let us play with markers  
But I keep trying to draw infinity  
And I read the bible to pass the time

But one day out of nowhere,  
She sits down and looks over my shoulder  
Shaking harder than I've ever shook before.

She sings:  
"Whoa-ho-ho-ho, do you remember me? is your mind  
that worn?  
We both were born to be one with that which the public  
scornes  
Though you were forlorn  
In despair with your drugs and your hardcore porn  
Trust me, those days won't be mourned."

So lay your head on me.  
So lay your head on me.  
So lay your head onto me.  
Yeah lay your head on me.  
So lay your head on me.  
So lay your head on me.  
So lay your head onto me.  
Yeah lay your head on me.
