GO!

It's the last time I'll fight the wrongs
I'll sing about the girls who left me
The last great punk rock song
Before I unspike my hair and carry on

And I will wail about anarchy
Drums will blare in rhythmic harmony
Anti-establishment
Just gets me nowhere fast

And it's the last great time I'll try
Please give me a reason not to cry
And it's the last great punk rock song
I hope you'll listen to me when I won't carry on

I have a few songs about remorse
I sing until my voice gets hoarse (Yeah!)
But most are about girl problems
Until I put down my strat
And stop acting dumb

'Cause it's the last great time I'll try
Please give me a reason not to cry
And it's the last great punk rock song
I hope you'll listen to me when I won't carry on

Carry on

'Cause it's the last great time I'll try
Please give me a reason not to cry
And it's the last great punk rock song
I hope you'll listen to me
Listen to me!

'Cause it's the last great time I'll try
Please give me a reason not to cry
And it's the last great punk rock song
I hope you'll listen to me when I won't carry on

Carry on

Carry on
I won't carry on
