# "Batter Ram Sound"

Visit "[Batter Ram Sound](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Mm hmm  
All elements of the world present  
Selassie I humble youth present  
All bigga robber dawg present  
Everything must hail the king  
Guilty or innocent aye aye

It is a ghetto sufferer  
Eloquent rough neck sound  
When you hear that around  
Well is a pity the I dance tabernacle  
Neva brandish no Dennis Brown  
When you hear that around

Jah send I ina batter ram sound  
Praise pan Galvanize alone  
When you hear it around  
Haile Selassie I ah Emperor  
Gorgon satta pan the lion throne  
When you hear it around  
Tell that say respect alone, respect alone  
Respect alone, respect alone  
Respect alone, respect alone  
Respect alone, respect alone

All elements of the world present  
Selassie I humble youth present  
All bigga robber dawg present  
Everything must hail the king  
Guilty or innocent

Aye respect smooth or black  
Shine skin tone from home  
With the root uncombed  
I man with the blood stream prediction  
A covenant written upon I head top dome  
When you hear that around

Jah send I ina batter ram sound  
Praise pan Galvanize alone  
When you hear it around

Haile Selassie I ah Emperor  
Gorgon satta pan the lion throne  
When you hear that around  
Tell that say respect alone, respect alone  
Respect alone, respect alone  
Respect alone, respect alone

Respect alone, respect alone

I man ovas crime four hundred and fifty years  
Of cho I man dun do time  
I ave nine things I own  
And them tek nine smile  
The hired gun man smile  
I countenance heat up ina screw  
In a I and I relaxation time  
I man I self Itrol ina regulation time  
Jah, God and king combine

It is a ghetto sufferer  
Eloquent rough neck sound  
When you hear that around  
Well is a pity the I dance tabernacle  
Neva brandish no Dennis Brown  
When you hear that around

Jah send I ina batter ram sound  
Praise pan Galvanize alone  
Haile Selassie I ah Emperor  
Gorgon satta pan the lion throne  
When you hear that around  
Tell that say respect alone, respect alone  
Respect alone, respect alone  
Respect alone, respect alone  
Respect alone, respect alone

All elements of the world present  
Selassie I humble youth present  
All bigga robber dawg present  
Everything must hail the king  
Whether guilty or innocent

Jah send I ina batter ram sound  
Praise pan Galvanize alone  
When you hear that around  
Haile Selassie I ah Emperor  
Gorgon satta pan the highest throne  
When you hear it around  
Tell that say respect alone, respect alone

All elements of the world

All elements of the world  
World
