In a the race so far
In a the race so far
In a the race so far
In a the race so far

Still in a the race so far
When I man yadup this morning
Yadup this morning
My Soul was crying
My Soul was still crying
Kings of the Earth still crack piping
Kings still crack piping
Oh Lord la woe Jah

Ya ina the middle of the tug a war-
Tug a war
Still in a the race so far
Still in a the race so far
Still in a the race so far

When I man yadup this morning
Yadup this morning
In the middle of a quarrel
In the middle of a quarrel
People fussing and fighting
I man tired explaining
I man tired explaining
Tired explaining

Ya ina the middle of the tug a war-
Tug a war
Still in a the race so far
I man still in a the race so far
Still in a the race so far

Woke up tis morning
Get up tis morning to hear some
Insincere talking
Some insincere talking
Using good words without meaning
Good words without meaning

Out come remains to be seen in
Remains to be seen in

Ina the middle of the tug a war-
Tug a war
I, still in a the race so far
I man still in a the race so far
I man still in a the race so far

Well I man yad up this morning
Yad up tis morning to see the wolf
Pack still feeding
Wolf pack still feeding
Virgin earth them still raping
And wouldn't plant seed in
And them wouldn't plant seed in
Wouldn't plant seed in

Ya ina the middle of the tug a war-
Tug a war, oh
Still in a the race so far
I still in a the race so far
I still in a the race so far

First thing ya ina the morning--in
A the morning
The self hater scheming—the self hater
Scheming
To break up good loving--break up
Good loving
Using miss understanding--using
Miss understanding

Ya ina the middle of the tug a war-
Tug a war, oh
Still in a the race so far
I still in a the race so far
I still in a the race so far

Yad up this morning
Yad up this morning to hear neighbors
Still squabbling
Neighbors still squabbling
Turbulent speaking--turbulent
Speaking
Things not worthy repeating
--things not worthy repeating

Ina the middle of the tug a war-
Tug a war,
I still in a the race so far

I still in a the race so far
I still in a the race so far

Well I man wake up this morning--
Wake up this morning
To traffic and road over crowding--
Road overcrowding
And Babylon still importing--Babylon
Still importing
To the sky ya them building--Nimrod
Dey ya building

Ya, ina the middle of them tug a war-
Tug a war, oh
Still in a the race so far
I still in a the race so far,
Still in a the race so far

Even though I man a say
Wounded--Wounded in the house
Of friend
Ya ga yo wounded in the house of friend
Aye wounded in the house of friend

Ya ga yo

Ia man a say oh God after 2000 years
Of genocide
Wounded in the house of supposed
Friend
Wounded in the house of friend
Ia wo wounded in the house of friend

But I still ina the race so far, yeah
I still ina the race so far
I still ina the race so far,
I still ina the race so far

Well I man yad up this morning
--yad up this morning
Instinctively feeling--instinctively
Feeling
Whole heap a secret meeting
World wide them still plotting
--world wide them still scheming

Babylon oo ina the middle of them oo
But I still ina the race so far
I still ina the race so far
I still ina the race so far
I still ina the race so far
