To the bone  
To the bone  
To the bone

Youth man know you self  
Straight to the bone  
Manifest you covenant  
Let it be known  
I man a say hey  
Judah as the Lion I  
Rule with Jah alone  
If them reject Jah I stamp them  
Destination unknown

To the bone  
To the bone  
Rasta to the bone  
Rasta to the bone aye

It is a honor fe blow the trumpet  
In a vocal tone aye  
Real life and movies  
No separate no more  
I man a say aye  
Judah as the lion I  
Rule with Jah alone  
So if them reject Jah I stamp them  
Destination unknown

To the bone  
To the bone  
To the bone aye

Some a carry micro chip  
Some a dem a already clone aye  
Some a carry micro chip  
Some a dem a already clone aye  
Twice I say long distance I call Jah  
Upon I blood cell phone  
Upon I blood cell phone  
Upon I blood cell phone

Man a rasta to the bone  
To the bone aye

So I come fe know  
I naw go miss  
I man no believe them  
Fabricated scientific statistics  
Six six six no no

Well man a ras to the bone  
Man a rasta to the bone  
To the bone  
Rasta to the bone aye

Long distance I call Jah  
Upon I blood cell phone  
Upon I blood cell phone aye  
It is a honor to blow the trumpet  
In a vocal tone seen

To the bone  
Man a rasta to the bone  
To the bone  
Rasta to the bone  
To the bone oh

Wha mek I revere his imperial  
I most honorable  
I most venerable

I dreadful and terrible say the one Malachi

Wha mek I revere his imperial  
I most honorable  
I most venerable  
I I haile Eliah II most Haile  
I dreadful and terrible say the one Malachi  
Haile I Selassie I whoa hey

To the bone
