I no want no seat ina them wolf pack congregation
I Rasta Man still stand
Them tell themself them a honest citizen of Christian

Levitical Preisthood sell out our Nation
Peter and Paul sell out our Nation
Them play them hand and that the Vatican build upon
Ina the order of Melchi Zadok
Selassie stand

I Rasta Man still stand

I Rasta Man still stand
Them tell themself them a honest citizen of Christian
nation
I Rasta Man still stand

Hail playground see saw
Tell the story heavy to the bottom, light to the top
Illusion mek the ugly look like cream of the crop
They never the run the race and want to take the victory

I no want no seat ina them wolf pack congregation
I Rasta Man still stand
Them tell themself them a honest citizen of Christian

Christ is a title of exalted Black Man
Christ stood against all amalgamation
Christ did a struggle to the death against the Roman
Dog was the Greek and the Syro-Phoenician

Still have round them neck a wear murder symbol
The cross was the sign of murder and invasion
Ina the valley of Saddam ina the ruins of Babylon
Cush conquer earth ina four direction

Iya man I Rasta Man still stand
Hear me now

I no want no seat ina them wolf pack congregation
I Rasta Man still stand
Them tell themself them a honest citizens of Christian
nation
I Rasta Man still stand

Peter and Paul sell out our Nation
Them play them hand and that the Vatican build upon
Ina the order of Melchi Zadok
Selassie I stand

I Rasta Man still stand
Lord Again
I Rasta Man still stand
I no want no seat ina them wolf pack congregation
I Rasta Man still stand
Them tell themself them a honest citizen of Christian

Anti-semitic them a say mean against
The half truth will mek you whole
And mek the dirt wash off
