(B.Foy/D.Carten/P. Jackson)

(Spoken): "Real men don't wear nylon"

Who is the man in the geometrical stripe?

The jumper that says casual, but authority

The attention seeker of the clique

The one with the split level hair?

Chorus:

Its the man (The man)

The man of the hour

The man with the smarmiest grin

Its the man (The man)

Our Burtons Buyer

The one they call....Tin Tin

Tinny tin tin

Tinny tin tin tin,

(Spoken) Aw man, I can't sing 'bout him no more! I can't do it!

INSTREMENTAL 30 SECONDS

Repeat Chorus to fade
