It's not the world that's out of order

It's me, it's me

Guess I ran along my borders

Just to see, just to see

If a friendly face would drop by and rescue me

But I lost my faith as I lost my way

It's not the street that's made of concrete

It's you, it's you

Guess I try to penetrate it with this point of view

I had never taken more than I give to you

I was led astray and I lost my way

Never felt so alone

Stripped naked and cut to the bone

Lost my faith in her on my own

With no queue by the door to my home

It's not the light that casts the shadow

It's doubt, it's doubt

As a melancholic sorrow came about, came about

I had never fought as hard though as I do for you

I'm not getting strong to prove I'm wrong

Never felt so alone

Stripped naked and cut to the bone

Lost my faith in her on my own

With no queue by the door to my home

And god sent an angel

An angel

She's an angel

An angel...

Never felt so alone

Stripped naked and cut to the bone
Lost my faith in her on my own
With no queue by the door to my home
God sent an angel
Sent an angel
She's an angel
An angel
She's an aaaa... an angel

It's not my life that's obsolete
It's youth, my youth
Guess it took a while for me to see the truth, see the truth
I got stuck in minor details so I missed the point
I got so much more than I bargained for...
