I ain't as beautiful as you
I ain't as beautiful as you
In spite of the fact
That I ain't noticed in a crowd

I know it ain't all bad
I know that ain't all bad
If I look the right direction

In my mind
In the castle where I am the king
I will build up my arms
Until I cross my borders to conquer the world
On my one way crusade

I ain't as clever as I seem
I ain't as clever as I seem
In spite of the fact
That I am learning every day

I know that ain't all bad
I know, it ain't all bad
If I look the right direction
Oh, direction

In my mind
In the castle where I am the king
I will build up my arms
Until I cross my borders to conquer the world
On my one way crusade

Oh, anybody there
I say

I ain't as beautiful as you
I ain't as beautiful as you
But I may return though
To see the beauty of it all

I know that ain't all bad
I know it ain't all bad
If I look in the right direction

In my mind
In the castle where I am the king
I will build up my arms
Until I cross my borders to conquer the world
On my one way crusade, I said

I say
Oh, I say
I say, I say

Things ain't always bad
