Love that blow in their hair
Leisure wind out the stairs
I was revited
To the look in their eyes
I was deeply surprised
By their desire
As he whispered the words he fell on his knees
My heart beat faster
As a rise filled with tears
And a mind dream for fears
See a fool so now their
Love is shining
Shining through their eyes like fire
But don't compare me
Till they reach for their desire
Love is shining
Shining through their eyes like fire
But don't compare me
Till they reach for their desire
Like nothing I have known
I'm sure he could have flown
On a cloud
Though against every stream
With the girl of his freed
Feel the sleet so now their
Love is shining
Shining through their eyes like fire
But don't compare me
Till they reach for their desire
Love is shining
Shining through their eyes like fire
But don't compare me
Till they reach for their desire
Oh yeah
Love is shining
Shining through their eyes like fire
But don't compare me
Till they reach for their desire
Love is shining
Shining through their eyes like fire
But don't compare me
Till they reach for their desire

Love is shining
Love is shining
Love is shining
Shining through their eyes like fire
But don't compare me
Till they reach for their desire
Yeah
Nananananananahaa
Love is shining
Ooooh
Love is shining
