On the old dirt road

Without a care

Gotta sixpence in my pocket

Oh I'm a millionairre

Oh and I would do anything to go back there

On the old dirt road

Oh my brother and me

We make a mess all weekend

Till sunday eve

Oh and I am travelling through the past

Oh and I can see myself face to face in the looking
glass

Playing in the dust

I haven't got a care

And nobody makes a fuss

'cos there's no one there

On the old dirt road

I got no name

Build a castle wall

Knock it down again

Oh and I am a child again

Oh and I don't need to pretend

Oh I hear you cry

Go back to sleep

But I can't make it stop

'cos it's not a dream

Playing in the dust

I haven't got a care

And nobody makes a fuss

'cos there's no one there

On the old dirt road

I'm a millionairre

Gotta sixpence in my pocket

Haven't got a care

On the old dirt road

I ain't got no name

I build a castle wall

Knock it down again

Oh and I would do anything to go back there again

Oh and I -- I'm a child again
