Looks like it's over,
You knew I couldn't stay
She's coming home today
We had a good thing, I'll miss your sweet love
Why must you look at me that way
It's over...
Chorus:
Sad eyes
Turn the other way
I don't want to see you cry
Sad eyes
You knew that someday
When we would have to say goodbye
Try to remember the magic that we shared
And time your broken heart will mend
I never used you, you knew I really cared
I hate to sit at the stand
But it's over..
Chorus
Repeat Chorus 2x
