Lose your mind
Lose it twice
Endless wind
And lying eyes
Reveal yourself
And run your face against the wall
I will not fail
I will not silently give in

Take a chance
Take it twice
Catch your dream
Succeed in life
Become a star
And lose yourself in fantasies
I will not fail
I will not silently give in

I will burn and I learn
From the thorns in my eyes
I'll rewind
And I'll find
My own way to the sky
I will learn to get by
But I'll never be like you

Snake tongued beast
With leech morals
Selling dreams
Where nightmares are lurking
Collect and claim
The art that never grew in you
I will not fail
I will not silently give in

I will burn and I learn
From the thorns in my eyes
I'll rewind
And I'll find
My own way to the sky
I will learn to get by
But I'll never be like you

I will burn
I will learn
From the thorns in my eyes
I'll rewind
And I'll find
My own way to the sky
I will learn to get by
But I'll never be like you

I will burn
I will learn
I will learn
I will learn
I will learn to get by
But I'll never be like
