Please tell me why do birds  
Sing when you're near me?  
Sing when you're close to me?  
They say that I'm a fool  
For loving you deeply  
Loving you secretly

But I crash in my mind  
Whenever you are near  
Getting deaf, dumb and blind  
Just drowning in despair  
I am lost in your flame  
It's burning like the sun  
And I call out your name  
Whenever you are gone

Please tell me why can't I  
Breathe when you're near me?  
Breathe when you're close to me?  
I know you know I'm lost  
In loving you deeply  
Loving you secretly  
Secretly  
But I crash in my mind  
Whenever you are near  
Getting deaf, dumb and blind  
Just drowning in despair  
I am lost in your flame  
It's burning like the sun  
And I call out your name  
Whenever you are gone

Tomorrow  
I'll tell it all tomorrow  
Or the day after tomorrow  
I'm sure I'll tell you then

Well I crash in my mind  
Whenever you are near  
Getting deaf, dumb and blind  
Just drowning in despair  
I am lost in your flame

It's burning like the sun  
And I call out your name  
The moment you are gone  
The moment you are gone
