Leo Sayer & David Courtney
Falling -- oh, oh, I'm falling
Falling so deep in love with you
But you say that
Only a fool could fall in love
With a girl like you
If that's the truth
What have I got to lose?
And I wonder who -- I wonder who
Who will the next fool be
Will it be me?
I wonder who
Can you tell me please
Who will the next fool be
Could it be me?
Lonely -- I'm so lonely
Maybe, maybe you're lonely to
So don't spend your time
Just sitting around
Wondering who will he be
Who will the next fool be?
Let it be me
I'm the one you need
Can you tell me please?
Who will the next fool be?
Let it be me -- I don't mind
Falling -- oh, oh, I'm falling
Falling -- what can I do
Thinking a girl like you
Could fall for a fool like me
Who will the next fool be
Could it be me?
Can you tell me please
When you make up your mind
Who will the next fool be?
Let it be me
