You've got a cute way of talking

You got the better of me

Just snap your fingers and I'm walking

Like a dog hanging on your lead

I'm in a spin you know

Shaking on string you know

You make me feel like dancing

I'm gonna dance the night away

You make me feel like dancing

I'm gonna dance the night away

You make feel like dancing

I feel like dancing dancing dance the night away

I feel like dancing dancing ahhh

Quarter to four in the morning

I ain't feeling tired no no no no no

Just hold me tight and leave on the light

Cause I don't want to go home

You put a spell on me

I'm right where you want me to be

You make me feel like dancing

I want to dance the night away

You make me feel like dancing

I'm gonna dance the night away

You make feel like dancing

I feel like dancing dancing dance the night away

I feel like dancing dancing

You take me higher

I'm gonna catch on fire 'cause

You make me feel like dancing I wanna dance the night
away

You make me feel like dancing I'm gonna dance my life
away

I feel like dancing dancing dance the night away

I feel like dancing dancing dance the night away

I feel like dancing dancing dance the night away

I feel like dancing dancing ahhh

You really slipped me a potion

I can't get off of the floor

All this perpetual motion

You gotta give me some more

You gotta give me some more
And if you'll let me stay we'll dance our lives away
You make me feel like dancing I wanna dance my life
away
You make me feel like dancing I wanna dance my life
away
You make me feel like dancing I wanna dance my life
away
I feel
You make me feel like dancing
