"Broken Hoof"

I am the dreadnaught
Come to me...
I take this world away
Bring the frozen sea
And the sand of fate...
House of bone replete
Such a wretched place
Dead alive in grief
And asleep awake...

Smoke and mirror eyes
Blind to the Divine
Last thing that you see...

There's a broken hoof
Far beyond repair
It belongs to you
Crown of wasted heir
Topple temples down...
Vow to kill... I swear
Here's the end of you

I don't fuckin' care

I'm a deceiver...
I know what waits inside
I'm a believer...
That all your truth has died
I am the stealer...
And now what's yours is mine
Sharpen the cleaver...
Your blood will flow like wine

How the cowards bleed
And they fear my hell
Just a wasted breed
Now you know me well
Here... I bring you sleep
On the burning hill
Broken hoof you weep
Now it's time to kill
