We giving up on all the emptiness

I fill it up with your sweet love beside me.

Ain't no fun to be a rolling stone inside

You buy the feeling and you pay with tears.

For what it matters you flow with the motion

Then out of nowhere there's a full moon rising

And it's mine.

And every

every moment is the history we make - and more

We got a legacy of understanding

I can love you better

But don't let your -

Heart stop beating in time

Don't take me below the danger level.

Caught up in the middle of a misery -

Don't let me die.

And I warn you if you let your

Heart stop beating in time

Don't make it a fatal combination

I won't ever find another your love no more.

Got to get closer

got to be in sight

You make it heaven to breathe with you woman.

Don't you get lonely in the midnight hour like me?

And there's an angel that I follow on the wind - and
more

Within a universe of undiscovered eyes

We found each other

so don't let your -

Heart stop beating

in time

Don't take me below the danger level.

Caught up in the middle of a misery.

Oh baby

don't let it be.
Save my soul
I don't wanna be no chains that hold
Gotta be a wild new world out.
There is a plan
I don't wanna be no one night stand
Gonna be alive for you down.
Here is the love I can hold out in my hand

And you can feel it I'm nothing if you let your -
Heart stop beating in time

. . .

Don't let your heart stop beating in time

. .
