Ev'rybody knows down Ladbroke Grove  
You have to leap across the street  
You can lose your life under a taxi cab  
You gotta have eyes in your feet  
You find a nice soft corner and you sit right down  
Take up your guitar and play  
Then the police come and say move along  
So you move along all day.  
I'm a one man band  
Nobody cares or understands.  
Is there anybody out there who could lend a hand  
To my one man band?  
For three days now I haven't eaten at all  
My  
my  
I must be getting so thin  
Soon my cap won't be large enough  
To drop a half a crown in.  
So hey  
there  
Mister  
don't you look so sad  
Don't look so ill at ease  
I can play you any song you choose  
To cheer up the life you lead.  
I'm a one man band  
...  
And nobody hears the minstrel boy  
As he sings his tale of woe  
Nobody sees him disappear  
And nobody sees him go.  
So hey  
there  
Mister  
don't you look so sad  
...  
I'm a one man band  
...  
Oh  
look at the rain falling.  
Oh

look at the rain.
