I must have waited all my life  
To come so close to paradise  
But finally I found  
A corazón de oro

I can't believe it's happening  
It's winter but it feels like spring  
Because you've given me  
Your corazón de oro

Suddenly I want to samba  
Hearing music all around us  
Could it be that this is really love?

Close to you it feels like heaven  
You're the angel I believe in  
And the gods are smiling up above

Is it serendipity?  
Fate has brought you here to me  
Written by the stars  
A corazón de oro

Do I even dare to dream  
This could be my destiny  
You've given me your heart  
A corazón de oro
