I cant help being a pervert  
Love a sneak peek up a girls skirt  
Started for me in primary school  
Got my first perv up the teachers dress  
Sneaking under the desk  
Asking girls in the playground to undress  
Taking off their undies  
Me and my buddies playing kiss chasies  
With the young hunnies coz it was funny  
Running around in the girls dunnies  
Got me excited  
A young Bias B running riot  
Didnt know about sex till this girl named Christine  
Taught me what a dick ? licked clean  
And I was only nine or ten  
As I reflect I wasnt even erect  
I didnt understand the concept of ejaculation  
Still I had a facination of girls taking off their pants  
And placing my hands on their delicate spot  
And I got my intrigued with the beiber the older I got  
I didnt know what to do  
And to tell you the truth  
I was scared but my mates were like "Go get a root!"  
I found a cute little blonde  
And it was on no doubt  
But couldnt help perving on all her friends when we  
were out  
Or at home on her couch  
Always seem to  
Going for a sneak preview  
Seeing her mum in something see throuh  
Just a young teen who needed a serve  
And nothing changed always been a pervert

(CHORUS)

My gaze stays locked on her thighs  
No woman is safe from these wandering eyes  
Even feral woman that be looking like they ?  
Still get clicked and licked like a paddle pop  
I slide in calmly when im hiding the salami  
Loves a battlefield and im a one man army

? dog digging in the dirt  
Up your skirt I do work like a true pervert

This other girl I was with her names Melissa  
Like her alot but got infactuated perving on her  
younger sister  
Walking round the house in her bra and undies  
Couldnt keep my eyes to myself she was so lovely  
She must have only been seventeen  
With the best set of teenage breasts id ever seen  
I had dreams of touching my girls younger sis  
When i was sexing Melissa thoughts of her sister made  
me cum quick

My nextdoor neighbour had me staring  
Perving through the curtain at the ? she was wearing  
I had dreams of toughing her too  
But would have copt more than a thumping if her  
husband knew  
Its just something I do  
And just something I love  
Catching the bus and looking at girls in their cars from  
up above  
You can look but dont touch  
Thats the rules of the game  
Sometimes I had to have a pull  
I was going insane

At the pool my aim was to ? and swim  
Coz when i do backstroke my dick pertrudes like a  
sharks fin  
I had to go swim a few extra laps  
And let the fat go back down so I relaxed  
Keep my eyes off the snake for a minute or two  
But everytime I close my eyes I'll still be thinking of you  
And the way your body curves  
What a fine piece of work  
Like everyone else  
Im just a pervert

(CHORUS)

My gaze stays locked on her thighs  
No woman is safe from these wandering eyes  
Even feral woman that be looking like they ?  
Still get clicked and licked like a paddle pop  
I slide in calmly when im hiding the salami  
Loves a battlefield and im a one man army  
? dog digging in the dirt  
Up your skirt I do work like a true pervert

(CHORUS)

My gaze stays locked on her thighs  
No woman is safe from these wandering eyes  
Even feral woman that be looking like they ?  
Still get clicked and licked like a paddle pop  
I slide in calmly when im hiding the salami  
Loves a battlefield and im a one man army  
? dog digging in the dirt  
Up your skirt I do work like a true pervert
