It feels so good to be by your side
Oh darling let me be your guide
>From tonight let's stay together
There's a blue moon in the sky
Tonight, It's there for you and I
Darling, let my love surround you
Oh but I'm so glad I found you
I wish tonight could last forever
Oh darling can we stay together
>From now on let's vow we'll never part
'Cos darling that will break my heart
And when the light brings tomorrow
Oh darling, will it bring me sorrow
Will you let me hold you in this way
Oh I wish tonight could last forever
Tonight I feel it in the air
Just look around it's everywhere
Who knows where the night will lead us
Oh it feels so good to hold you tight
Hold you close without a soul in sight
We came together without warning
And stayed together 'til the morning
I wish tonight could last forever
Oh darling can we stay together
>From now on let's vow we'll never part
'Cos darling that will break my heart
And when the light brings tomorrow
Oh darling, will it bring me sorrow
Will you let me hold you in this way
Oh I wish tonight could last forever
