(A.Fältskog)

The night is ending already

The end arrived this way

All the subtlety

disappeared

I would want to have you just once more time

Now nothing, now nothing will be the same

Never again

I will meet your eyes

Never again

Never again

Of your nights I will enjoy myself

Never again

Tomorrow is waiting

We will know that it's good-bye

And don't say anything more

'Cause everything is behind us

Our time together we knew how to enjoy it

It was so much, even it has already passed

Never again

I will meet your eyes

Never again

Never again

Of your nights I will enjoy myself

Never again

Uuuuhhhhh...

Aaaahhhhh...

Oooohhhhh...

Never again

I will meet your eyes

Never again

Oooohhhhh...

Never again

Of your nights I will enjoy myself

Never again

Never again

I will meet your eyes

Never again

Oooohhhhh...

Never again

Of your nights I will enjoy myself

Never again  
Never again...  
Uuuuuuhhh...Uuuuuuhhh...
