AGNETHA FALTSKOG - When You Walk In The Room
Album: My Colouring Book (2004)

EVERYTIME...

I can feel a new expression on my face
I can feel a glowing sensation taking place
I can hear the guitar playin' lovely tunes
Every time that you walk in the room
I close my eyes for a second and pretend it's me you
want
Meanwhile I try to act so nonchalant
I feel a summer's night with a magic moon
Every time that you walk in the room
Baby it's a dream come true [dream come true]
Standin' right alongside of you
Wish I could show you how much I care
But I only have the nerve to stand and stare
I can feel a something pounding in my brain
Just anytime that someone speaks your name
Oh, the trumpets sounds and I hear thunder boom
Every time that you walk in the room
Every time that you walk in the room
Every time that you walk in the room
