Wrap your arms around me
When you're so far away
At the end of each day
Counting the moments till you fade away
Inside my soul
Under passion's control
Are feelings I can't find the words to explain
Just like the first time I'm helpless again
Wrap your arms around me
Let your love surround me
Make love to me now like never before
Wrap your arms around me
From the day you found me
You'll never be alone
The nights are so cold
With just your memory to hold
I've tried to be strong
Reaching out holding on
Alone in my bed
I Cling to each word you said
Wanting you more every day we're apart
And each precious moment is safe in my heart
Wrap your arms around me
Let your love surround me
Make love to me now like never before
Wrap your arms around me
From the day you found me
You'll never be alone
Tag mig i din famn
Hll om mig
Du r den - bara du
Jag vill vara hos dig
Vi hr tillsammans
Vi var s nra
Ntterna r s kalla
Jag vill vara hos dig
Saknar dig hur som helst
Jag vill vara hos dig
Hll om mig
Iska mig, Iska mig
Just like the first time I'm helpless again

Wrap your arms around me
Let your love surround me
Make love to me now like never before
Wrap your arms around me
From the day you found me
You'll never be alone
