[Verse 1:]

Follow the leader, bad senioritas in two seater's
She loves green, that's money, Mary Jane and
Margaritas
The way it seems, the streets be looking at me like a
teacher
They hounding me, like desperate rappers waiting for
a feature
I ain't saying I don't need you, I'm saying let's keep the
pace
Should be back at your place, just being patient with
your feet up
They say he's so chill, how does he show no stress?
He can't see into the future, how does he know what's
next?
Seeing all of these steps that he's taking
You're mistaken if they say we ain't so complex
I'm tryna be in a blue coupe, you can't pronounce the
name
With a bad yellow bitch and she's singing Purple Rain,
so insane

[Hook:]

And people talking down on me, I don't really think they
should
They said they could do it better, I don't really think
they could
I ain't one for niggas wishes, but I wish a nigga would
This ain't as easy as it looks, I just make it look good

[Verse 2:]

If it's politics, we're the presidents so presence serves
a purpose
It's obvious that we're evidence, you're paying for a
service
And I feel, you always think you're less than what you
can be
What does it mean if I think I'm the one these niggas
can't see?
Gang mentality, Odd Future is a family
My niggas thrash, I was always Anti, Plan-B

Did I lose you? I know I'm much more than you're used
to
Now I got these girls stepping out from their usual
So they tune in, T.I., see I, realize I'm a stand up guy
And these niggas realize they can't stand to see me on
TV
So they lose their footing like they were gluttons with
diabetes
But fuck the bullshit, I'm just tryna get rich
With my middle fingers up screaming swag me out
bitch
Black kid on the corner selling drugs, go figure
Salute them with 21 guns, I'm killing these niggas

Uhh, bitch
Oh, and Free Earl mothafucka

[Hook:]
And people talking down on me, I don't really think they
should
They said they could do it better, I don't really think
they could
I ain't one for niggas wishes, but I wish a nigga would
This ain't as easy as it looks, I just make it look good
