Please pass over your elixir drink
Today the world is much too bludgening
I need to numb me back into the womb
And there I will do cartwheels if there's room.

If you could turn it all down just a notch.
I wouldn't have to knock all of your socks off.
And oh I heard that spice girl thats named "posh".
I've got some time since I've broke my watch.

Oh oh Ohoh Oh o-o-oh Oh oh
Oh Oh Oh Ohoh oh-o-oh

I'm clearly having one of my episodes.
Bring out the credit card lets buy a friend a rose.
Does anyone know exactly just how that theme song
goes?
There aren't as many Larry, Curly, Sheps as there are
Moes

the new sted man is why I look so glum.
I gave him the finger not the thumb.
I haven't shaved so I look like a bum.
Needless to say I ain't gonna get none.

And the taximan gave me a long free ride
He said I built up energy inside.
But I said to him please tell me who just died
bequething onto you the title "Freud"

OH oh o-o-oh O-o-oh Oh O-o-oh
O-ooo-o-oh

I'm clearly having one of my episodes
Bring out the credit cards lets buy a friend a rose.
Does anyone know exactly just how that theme song
goes?
There aren't as many Larry, Curly, Sheps, as their are
