Well all this time  
I guess I wished that I had the time to say goodbye  
She's a ruby and I liked red  
And until I disappear it a little too well

I guess that I should have kissed her  
I won't deny it when she was leaning in  
I guess I should a lot of things, huh?

But Maurine,  
I can't come to your party  
'Cause I think that I'm dead

All through the tunnel, and onto the tram  
I wonder what it's like when your hands stop this  
shaking  
It's as cloudy as I dreamt it would be  
It's as empty as I thought it would be

I hope it goes well  
I hope your dad's good  
I hope you've got presents  
That make you pretty happy  
And I hope you grow old  
And I hope that you find somebody nice

But Maurine,  
I can't come to your party  
'Cause I think that I'm dead
