He timed it all just right  
for the sparrow's first flight  
but I said don't fly down there  
The world is such a scare

But he flew down anyway  
and got chomped like easy prey  
You know he should have listened fast  
that thought is just the past

At least I told him anyway  
hey hey.

Well out on Avenue A  
The pimp flexed his gold chains  
but I pointed out the rain  
That it would rust them all the same

And like clock work did they rust  
And then he died of tetinas  
So I took his girl for mine  
And for him she does not pine

At least I told him anyway  
Hey hey. Twododo  
Do do do.  
Do do do do do do do, do do.

Well the one thing that I wish  
is that the sparrow meet the pimp  
Oh yeah, in heaven in the sky.  
of a drop that cold my ties

And their stories they will swap  
And in horror they will stop for  
when they learn they both knew me  
And I offered them the plea

At least I told them anyway.  
Hey hey. Do do do do do.  
Do do do. Dododododo. adodo.

Dododododo. Dododo.  
(the do do's continue)
