Listening for the sweetness
Buried in your silent treatment
How many walls did I face?
You're allergic to change
And I wanna say something,
Then I'll leave you
To take your way
Of loving to the grave.

Sometimes, when you're hurting,
The hurt is blinding,
Who decides when something's
Not worth saving?

We've always had a place to hide
So being here, just you and I
Feels like a confessional.
I'm bound to say
How I feel and I can't lie.
Cause it was so beautiful,
It used to feel so natural
If I'm telling the truth tonight,
I'm looking for a way of saying goodbye.

Took a wrong turning somewhere,
Burned the bridges
That would take us back there,

Pretending to be something
That we're not.
Could never put my finger on it,
But maybe if we're being honest,
I want what we had,
Not what we've got.

Sometimes, when you're hurting,
The hurt is blinding.
But if you stop looking,
How're you gonna find it again?

We've always had a place to hide

So being here, just you and I
Feels like a confessional.
I'm bound to say
How I feel and I can't lie.
Cause it was so beautiful,
It used to feel so natural
If I'm telling the truth tonight,
I'm looking for a way of saying goodbye.

If I'm telling the truth tonight,
I'm looking for a way of saying goodbye
