Her man, he's doing dishes

Her diet is her God

Her job, it gives her freedom

New shirts, new skirts

She's fixing cocktails in the weekend

Don't she live a life?

Her heart is only beating

When there's money in her life

The profoundest thing she does

Is to worry about

What she's gonna wear tonight

(CHORUS) Honey, are you satisfied?

Na Na Na Na Na Na

Wat'cha goons wear tonight?

Honey, are you satisfied!

Did the feelings die?

She tried to look attractive

She bought a low cut dress

Her car must be the biggest

It must be bigger than the rest

She's got her finger on the trigger

Pointing at her husband's chest

She likes the others better

At least they peep into her dress

The profoundest thing she does

Is to worry about

Who will be her lay tonight?

(CHORUS) Honey, are you satisfied?

Na Na Na Na Na Na

Wat'cha gonad wear tonight?

Honey, are you satisfied!

Did the feelings die?

Her necklace it's a noose, every day it tightens up

She looks into the mirror... Ha Ha Ha!

She even went to college

She tried to smarten up

She even demonstrated

She forgot the reason why

She looks into the mirror

She sees an empty life

Her necklace it's a noose

Everday it tightens up

The profoundest thing she does

Is to worry about what she's gonad wear tonight

(CHORUS) Honey, are you satisfied?

Na Na Na Na Na Na

Wat'cha gonad wear tonight?

Honey, are you satisfied!

Did the feelings die
