I don't know if I can make you mine
I don't know for sure if love is blind
Have a heart girl, let me spoil you once for a day
You may be smart, you've got the brains
But I've got adrenaline in my veins
If you want to, I could try to make you stay
We can do things you like to do
Go see a play and a movie too
We could stop for a takeaway
And if you don't have fun
You could walk away
But if you do
You'll miss what I have to say
I said Tracy, come on Tracy
You could love me if you try
I wanna sleep with you tonight
I may be dumb, but then I ain't no troglodyte
Sometimes you make me wonder why
Sometimes I think it's do or die
Let me show you, why don't you give me a break
I see that you're having second thoughts
You look at the roses that I bought
I hear you sigh which means that you don't really know
what to say
We can do things you like to do
Go see a play and a movie too
It'll be like a holiday
And if you don't have fun
You could walk away
But if you do
You'll miss what I have to say
I said Tracy, come on Tracy
You could love me if you tried
I wanna sleep with you tonight
I may be dumb, but then I ain't no troglodyte
We can do things you like to do
Go see a play and a movie too
Or go to a cabaret
And if you don't have fun
You could walk away
But if you do
You'll miss what I have to say

I said Tracy, come on Tracy
You could love me if you tried
I wanna sleep with you tonight
I may be dumb, but then I ain't no troglodyte
I said Tracy, come on Tracy
You could love me like I am
You know that I don't give a damn
About your friends making fun of me for the way I am
