Who got the goodies?  
Scabs do  
Who always sport the woodies?  
Scabs do

So why you wanna settle  
For a snack?  
When you can have  
The whole buffet

There's a brand new dance  
That I learned from Juanita  
It ain't the Huckleberry Stomp  
It ain't the gaffed Benita

It's a brand new dance  
Called the Turkey Smerf  
It'll tighten your pants  
And put a smile on your earth

Who got the goodies?  
Scabs do  
Who always got the pudding?  
Scabs do

So why would you wanna settle  
For a snack?  
When you can have  
The whole buffet
