"Highly Strung"

This is the song of little Jo
she's not the girl I used to know
forever screaming all the day and night
she used to be a diplomat
but now she's down the laundromat
they washed her mind
and now she finds it hard
I know her name
but now she never seems the same
she don't talk to me
'cause she can't take no sympathy
because she's highly strung
oh highly strung, she's undone
highly strung
she's stepping out upon the ledge,
she's got a gun against her
she's wired up to blow
the power line
she's walking out upon the knife
she'll take you to the edge of life
just like the song,

the pressure is on again
I know her name
but now she never seems the same
she don't talk to me
'cause she can't take no sympathy
because she's highly strung
oh highly strung, she's undone
highly strung
this is the song of little Jo
she's not the girl I used to know
