Laying in the after glow,  
I only want to learn what you know,  
But now you're leaving...  
How many hearts must you break?  
How many calls must I make?  
But now you're leaving...  
In this world, all that I choose has come unbearable  
But love is in your touch  
Ooh, it's killing me so much  
Only when you leave  
I need to love you  
And when the action has all gone  
I'm just a little fool enough to need you  
Fool enough too long  
Only when you leave, you'll leave in danger  
Oh, I'll make sure that you pay  
So give a little passion to a stranger  
And take this soul away  
I only want to make this things last,  
So how could this have gone so fast?  
And now you're leaving...

How many times must I learn?  
It's only when you've gone that I burn,  
And now you're leaving...  
In the end, all that I left has come unbearable  
It's hard to change your mind,  
So leave it all behind  
Only when you leave  
I need to love you  
And when the action has all gone  
I'm just a little fool enough to need you  
Fool enough too long  
Only when you leave, you'll leave in danger  
Oh, I'll make sure that you pay  
So give a little passion to a stranger  
And take this soul away
