Paint me down

Paint me down

Paint me down

I'm walking into studio

Consider strange appeal

Paint me in the home

I'm brushing up on sketchbook

Designs for love unreal

Paint me in the home

Oil and skin you'll need to buy it

Consider what I mean

She sinks beneath the moving pictures

Prepare the brush for me

I'm craving with this need

Paint me down

Paint me down

Paint me down

I'm soaking up the surface

conceiving new idea

Paint me in the home

She's oiling up her subject

But all still-life is here

Paint me in the home

All the boys with framed dimension

A cover up on lust

He'll take his pain and paint it over

Prepare the brush for me

I'm craving with this need

Paint me down

Paint me down

Paint me down
