I don't have to be so wise  
you're just my fantasy  
and I will fantasize  
something more or less to make this things started  
we're the artisans  
and we've been crafted  
I wanna be your magical mystery  
I wanna be your final history  
this is the news  
nothing's ever been so wild  
all that I get to do  
is what I give to you  
this is all about the circles we've found  
and through the ups and downs  
it goes round  
oh I was just beginning to grow strong  
she was only eighteen summers long  
we were the news  
Round and round it goes  
and oh don't you know  
this is the game that we came here for

round and round it goes,  
and don't you know  
This is the news of my life  
oh I was just beginning to grow strong  
she was only eighteen summers long  
we were the news  
Round and round it goes  
and oh don't you know  
this is the game that we came here for  
round and round it goes,  
and don't you know
